DESIGN
PHILOSOPHY

OVERVIEW

A stay in our Resorts with 5 star amenities would help the guest to unwind both the body and the mind. Our design layout is based on the philosophy of Pancha Bhoota - the Five Elements comprising Earth, Fire, Wind, Water and Sky. Unlike conventional resorts, our resort puts you in touch with the Satvik Indian lifestyle, with absolutely no room for smoking and alcohol consumption - endorsing a pure vegetarian diet.

At Nirvana much coveted option at Hampi, you can experience the power of therapeutic and traditional holistic Ayurvedic and Hamam treatments, providing a voyage towards absolute wellness and inner balance.

YOGA

“Do not feel lonely. The entire universe is inside of you.”

As the day winds in our daily life, faced with the task of competition in every aspect, health has become the most important issue amidst the people these days. It's important to balance a good health with the daily hectic routine, which does not demand hours of workout or extended time in a gym.

Yoga is one of the most recognized ways for enhancing our body and mind state. Few minutes of yoga in morning or any time during the day is helpful in enhancing and maintaining good health and personality. Yoga has several essential benefits on our body-mind.

IN THE KNOW

Hampi - The city of Bijadnagar (Vijayanagara) is such that the pupil of the eye hasn't seen before or the ear hasn't heard off . . . The hospitality of the Kingdom was such that, was never experienced before and shall be experienced henceforth.

A **UNESCO World Heritage Site** located in east-central Karnataka, India. It became the centre of the Hindu Vijayanagara Empire capital in the 14th century. Chronicles left by Persian and European travelers, particularly the Portuguese, state Hampi was a prosperous, wealthy and grand city near the Tungabhadra River.

MATANGA HILL

Probably Matunga Hill is the most talked about hill in Hampi. Let it be its central location, the oversold sunset/sunrise view or the myths associated with it, this hill commands a special attraction.

Being at the centre of Hampi, and also the highest point, Matunga hilltop is the best spot to get an aerial view of Hampi and its environs.

TUNGABHADRA DAM

The Tungabhadra Dam is constructed across the Tungabhadra River, a tributary of the Krishna River. The dam is near the town of Hospet in Karnataka.

The dam gets filled with water during rains and water is supplied to the canals. It fulfils requirements of irrigation of land, production of electricity as well as prevents natural disasters like floods. Over the years, the site of the reservoir has become a popular picnic or tourist spot.
